### **CHA March Webinar – Just in Time for Tax Season! March 28, 2014 - "Nine Things the IRS Looks for in Your Horse Business"**

Friday, 3/28 at 9 a.m. PST, 10 a.m. MST, 11 a.m. CST and Noon EST - you can also register today and get the link to view and listen to the recorded webinar at a later date.

The horse industry has faced multiple challenges over the past few years and now, we're seeing more of another potential threat to our industry. Like everyone else, the Internal Revenue Service is looking for money and due to the nature of the industry, horse activities are a prime target. When it comes to proving to the IRS that your equine activity is indeed a business and not just a hobby, certain things need to be taken into consideration and well documented. There are nine specific areas that need to be properly addressed to beat the "hobby" classification. This webinar will address those. Speaker Victoria Long is a CPA and accountant and an avid horsewoman and working cow dog owner. She is the Treasurer of the Colorado Horse Council.

To register for the Webinar - cost is \$20 – visit [http://cha-ahse.org/store/categories/CHA\\_Webinars/](http://cha-ahse.org/store/categories/CHA_Webinars/)

The purpose of CHA is to promote excellence in safety and education for the benefit of the horse industry. CHA certifies instructors and trail guides, accredits equestrian facilities, publishes educational manuals, produces educational horsemanship DVDs and hosts regional and international conferences.
