Certified Horsemanship Association's Level One Horsemanship Manual Available in Spanish

(March 2017) – The Certified Horsemanship Association (CHA) offers four levels of horsemanship manuals to its membership, including the *CHA Composite Horsemanship Manual*. In addition, CHA is proud to offer its Level One Manual of Horsemanship in Spanish. Since the horse industry has a large Latino population, and there was a demand for a Spanish horsemanship manual, it made sense to translate the Level One manual into Spanish.

Manual Compuesto de Equitación Nivel 1 is a 48-page book with illustrations by Susan Harris and detailed information on horse sense, rules for safe riding, parts of the horse and tack, how to safely approach the horse, leading, grooming, saddling and bridling, mounting and dismounting, basic seat and hand position, basic aids and horse control, circles and reverses, beginning the trot, exercises on horseback, elementary trail riding, and more. The book also contains a written exam and arena riding patterns.
