Looking for a Job in the Equine Industry? Certified Horsemanship Association Job Postings Board Available to Horse Industry; Job Postings are Benefit of CHA Membership

(May 2015) – One of the most important aspects of the Certified Horsemanship Association (CHA) is how the organization helps its members run successful businesses in the horse industry. CHA helps its members with professional certifications and site accreditations, continuing education, networking with other professionals, and many other programs. One of CHA's member benefits is the ability to add job postings online for free on CHA's Job Opportunities board at http://cha-ahse.org/store/pages/43/Job_Openings.html.

The job openings page on the CHA website features job openings for riding instructors, assistant riding instructors, riding camp instructors, therapeutic riding instructors, camp directors, equestrian program directors, volunteer managers, farm caretakers and supervisors, ranch staff, grooms, interns, etc. Anyone seeking a position in the equine industry is encouraged to check out the job postings offered through the Certified Horsemanship Association. However, only CHA members can add postings to the board as a part of the member benefits package. CHA also does a monthly e-blast newsletter for its members and CHA Program Members can also run job openings in these for a small fee.

Program/Business membership, available to any equine business or association, is \$200/year. CHA Accredited Sites receive a discount of \$25/year. The job posting membership benefit is especially helpful for Business/Program Members that are seeking to hire additional staff.

For more information on the benefits of membership with the Certified Horsemanship Association, please visit http://cha-ahse.org/store/pages/22/Member_Benefits.html. For

questions, please contact CHA's headquarters in Lexington, KY, at 859-259-3399 or info@cha-ahse.org. If you are a member and would like to submit a job posting, please email info@cha-ahse.org with the subject line "CHA Website – Job Posting Request."

CHA Changes Lives Through Safe Experiences with Horses. The purpose of CHA is to promote excellence in safety and education for the benefit of the horse industry. CHA certifies instructors and trail guides, accredits equestrian facilities, publishes educational manuals, produces educational horsemanship DVDs and YouTube Safety shorts, and hosts regional and international conferences.
