### **Julie Goodnight Announces 2008 Filming and Appearance Dates**

**Poncha Springs, CO, December 3, 2007:** Julie Goodnight announces her 2008 clinic and horse expo appearance dates—and reveals her first-ever Horse Master with Julie Goodnight television show filming locations.

Goodnight travels to eight states during her expo-season tour: Colorado, Kentucky, Maryland, Minnesota, Ohio, Pennsylvania, South Dakota, and Washington.

“I’m excited to teach at the expos and to see many of the horses and horse owners I’ve heard from throughout the year,” Goodnight says. “But the biggest addition to this year’s schedule is traveling to California, Florida and Arizona to film my new show that will air on RFD-TV beginning January 2, 2008. I’ll have the chance to work one-on-one with horses and their owners to help solve specific problems. The show has such a fun format—focusing on individual horse owners’ stories and showing how they can make over their relationships with their horses after some horse and rider training.”

Goodnight is now accepting applications for horses and riders to work with in each filming location: Southern California, Florida, and Arizona. Additional shoots will take place in the Pacific Northwest and the North East at locations to be determined. If you and your horse need the Horse Master, visit <http://www.horsemaster.tv> for application instructions or e-mail [horsemaster@juliegoodnight.com](mailto:horsemaster@juliegoodnight.com). Be prepared to send a video of you and your horse working together. Show Goodnight your toughest problem and tell her your biggest dreams and training stories.
